### TASTE OF NOTE

**EXOTIC AROMATICS, WITH A FRESH CHERRIES AND CURRANTS. SWEET FRUIT ON THE PALATE, WITH SOFTER TANNINS AND GENTLE OAK INFLUENCE.**

**Vineyard sites:** Our Stellenbosch farm is a fantastic site for Merlot. These trellised vineyards grow on gravelly koffiekliip soils and are carefully managed, keeping yields low.

**Winemaking:** Grapes were fermented in stainless steel tanks, pressed and sent to 225l barriques for 12 months. Older French and American oak barrels were used.
