TASTE OF NOTE

BRILLIANT PINK IN THE GLASS, WITH FRESH RED FRUIT ON THE NOSE. RIPE STRAWBERRY AND CHERRY CONTINUE ON THE PALATE COMPLEMENTED BY CRISP ACIDITY AND A LONG, TEXTURED FINISH.

Vineyard sites: Grapes are sourced from the Kopland vineyard on Fairview, and grown on decomposed granite soils.

Winemaking: The grapes are destalked and crushed, then left in the press overnight to extract colour, before pressing off and cold fermenting the wine. Bottled early to be consumed as a young wine.
