FAIRVIEW

Situated on Dassen Island, stands a solitary lighthouse, attracting only the icy Atlantic winds that sweep by onto the hills of Darling. Brushing right past the grazing merino sheep who claimed this area as their first pastures, the wind collides with granite mountain rocks which resemble the mitre's of three popes. This is Drie Papenfontein wine, where vines planted in deep, iron percolated soils offer us a reflection of the cool maritime influence. This bold blend balances the Sauvignon Blanc's racy minerality with the luscious and textured Semillon. To Life

Drie Papen Fontein
Sauvignon Blanc - Semillon 2016

**IN THE VINEYARD:**

The grapes were harvested from dryland farmed vineyards in Darling, just four kilometers from the ocean. The vines are trellised and planted on deep, red oakleaf soils. Viticulture techniques have evolved and include monitoring vineyards for optimal picking times, adopting a combination of sampling and tasting to show greater expression of place.

HARVEST DATE: 20 January 2016 and 4 February 2016**WINEMAKING:**

Sauvignon Blanc was machine harvested early in the morning on 20 January 2016. The grapes were gently pressed and the free run juice was allowed to settle for 2 days after which it was racked and inoculated with yeast. The juice was cold fermented for 3 weeks and aged on lees for 6 months. The Semillon was handpicked on 4 February 2016 and gently pressed and the free run juice was allowed to settle for 2 days. The Semillon component consisted out of 2 new 500L and 4 225L French oak barrels of which half was 2nd fill and the other half 3rd fill. The lees was stirred (*batonnage*) regularly and the wine was matured for 6 months on its lees. The components were blended and lightly fined and filtered prior to bottling.

WINEMAKERS COMMENTS:

The high proportion of Semillon in this blend adds a complexity and rich mouth feel which will allow the wine to mature in the bottle. This is drinking excellently now. Have a second bottle to hand; it will be needed! – *Anthony de Jager*

TASTING NOTE:

Lemon sorbet, a salty minerality with subtle notes of oak on the nose. Rich complex palate with creamy texture and long zesty finish.

FOOD RECOMMENDATION:

The palate has enough weight to cope with food, but it never feels heavy. If there's basil, seafood, lime, avocado or garlic in your food, you will enjoy this Bordeaux-inspired blend.
