

FOUNDED 1693
FAIRVIEW

Established in 1693, Fairview cellar with its spectacular view of Table Mountain lies on the southwestern slopes of Paarl at the Cape of Good Hope. My grandfather purchased Fairview in 1937 and I am the third generation of my family to make wine here. We have vineyards in the leading coastal grape producing areas, where geographic and climatic diversity allows us to craft a range of truly distinctive wines, complemented by Fairview's range of award winning artisanal cheeses. To Life!

Fairview Syrah 2013

IN THE VINEYARD

Syrah is sourced from our Elim vineyards

HARVEST DATE Based on FV Shiraz

End of February through to mid March.

WINEMAKING Based on FV Shiraz

Grapes were destalked and lightly crushed before fermentation. Grapes were fermented on the skins for 10 days and then pressed. Malolactic fermentation was completed in oak barrels with a small portion in tank. The wine was racked and sent to barrel for 12 months. The wine was aged in a combination of French and American oak, with approximately 30 % new wood being used. The components were then specially selected, blended and bottled.

WINEMAKER'S COMMENTS: Based on FV Shiraz

This Shiraz is very expressive and spicy and should mature well over the next 5-8 years! The wine is from a selection of the best parcels of Shiraz we have at our disposal. Anthony de Jager

TASTING NOTE Based on FV Shiraz

Intense red in the glass. Pepper spice on the nose with red berry fruit. The palate reveals plum fruits with a touch of white pepper and a rich mouth feel with well integrated bold tannins.

FOOD RECOMMENDATION Based on FV Shiraz

Enjoy with beef fillet, lamb or a beautiful ribeye.
