ANALYSIS

ALC: 13,5 %

RS: 2,9 g/l

TA: 6.3 g/l

pH: 3.41

WINE OF ORIGIN

Coastal Region

TASTE OF NOTE

Inviting aromas of tropical fruits, goose berry and melon on the nose. Flavours of fresh pineapple and citrus, soft and smooth with a balanced acidity.

VINEYARD SITES

Sourced from trellised vineyards on the upper slopes of Paarl Mountain.

WINEMAKING

The grapes were destemmed and gently crushed. The juice was allowed to settle for 2 days, then racked off the lees and cold fermented in stainless steel tanks. The wine was left on the lees for 8 months before bottling. A youthful, fresh wine from South Africa's signature grape.
