WINE OF ORIGIN

Coastal Region

TASTE OF NOTE

Inviting aromas of pineapple, guava and sweet melon on the nose. Flavours of summer fruits and citrus with a soft, smooth texture and balanced acidity. Tastes like summer!

VINEYARD SITES:

Sourced from trellised vineyards on the upper slopes of Paarl Mountain.

WINEMAKING:

The grapes were destemmed and gently crushed. The juice was allowed to settle for 2 days, then racked off the lees and cold fermented in stainless steel tanks. The wine was left on the lees for 8 months before bottling. A youthful, fresh wine from South Africa's signature grape.
