WINE OF ORIGIN

Coastal

TASTE OF NOTE

Bright pale yellow in colour with aromas of granadilla, guava and fig on the nose. Fresh tropical fruits notes and zesty lemon on the palate with a crisp finish.

VINEYARD SITES

Grapes for the 2020 vintage were sourced from our vineyards in Swartland, Darling and the slopes of Paarl Mountain.

WINEMAKING

The grapes were de-stemmed, crushed and the juice was cold fermented in stainless steel tanks. The wine was bottled early to preserve freshness, producing a vibrant, fruit-driven style.
