FAIRVIEW**PRIMO PINOTAGE 2018****LIMITED RELEASE**

One of my favourite pastimes is getting into my car and driving around the winelands in hunt of new parcels of land we can use to maintain our quality of wine, new regions to discover and new people to meet and build relationships with to help deliver a product that is authentic and delivers on value. My personal daily go-to has been my very own Land Cruiser featured on this bottle. She was with me when I discovered a particular single Pinotage vineyard which we call Primo, as it is a prime example of our indigenous grape variety. Primo Pinotage is our selection of the finest wine of the vintage, selected from sites that allow the varietal to find its true expression. To Life!

**IN THE VINEYARD:**

Our Primo Pinotage was harvested from a bushvine site located on the Fairview farm. The vines grow under dryland conditions in a deep duplex soil (well drained sand and clay) with a laterite subsoil that offers high water retention capacity. The vineyards were planted in 1998 with 1.2m spacing between the vines. The vines are carefully suckered in summer (removing unnecessary shoots) and the crop was reduced to one or two bunches per shoot, depending on the vigour of each vine. This resulted in a balanced crop to achieve concentration of flavour and texture in the wine.

HARVEST DATE: last few days of January 2018**WINEMAKING:**

The grapes were hand-harvested at an average of 24.5° brix. Next the grapes were destemmed and hand-sorted to remove raisins and green stems. Fermentation took place in open-top French oak fermenters (foudre) and manual punch downs (pigeage) were done twice a day. Once alcoholic fermentation was completed, the wine was basket pressed and transferred to French oak barrels for malolactic fermentation, with 60% of the barrels being new oak. In total, the wine spent 20 months maturing in oak barrels.

TASTING NOTE:

Deep dark red colour in the glass. Complex aromas of plum, cranberries, cinnamon and spice. A brooding palate that brims with dark plums and berries and complex savoury notes. Bold tannins leading to a fresh finish that shows great ageing potential.
